REACT - TYPESCRIPT - NODE - EXPRESS - SQL - VITEST - STORYBOOK - TAILWIND - MOTION - PYTHON

Software Developer since March 2024, combining academic training and professional experience. Passionate about planning and designing the entire workflow of a feature before starting to program. I stand out for my responsibility, discipline, and professional approach, as well as for problem-solving, adaptability, and teamwork skills, focused on delivering efficient solutions while following best practices and writing high-quality code.

PROFESSIONAL EXPERIENCE

ForIt Software Factory   **Buenos Aires, Argentina**
Full Stack Developer   *August 2025 – Present*

- Collaborated on the development of a comprehensive multi-tenant employment service platform for AMIA. Participated in all stages of the development cycle applying TDD, clean architecture, and best practices.
- Implemented endpoints and use cases with TypeORM in a monorepo environment, integrating React, Node.js, Express, and TypeScript. Worked within an agile team to deliver scalable, high-quality solutions.
- Technologies: React, Node.js, Express, TypeScript, Vitest, Tailwind CSS, Storybook, Vite, TypeORM, GitHub.

Academic Project - Key To Dream (Digital House + FORMAR)   **Buenos Aires, Argentina**
Full Stack Student   *September 2024 - May 2025*

- Developed an interactive platform focused on real estate with 3D animations and a secure login system. Participated in all stages: design, frontend, backend, and deployment. Project selected as one of the top projects of the course.
- Technologies: React, Node.js, Express, MySQL, Tailwind CSS, Three.js, Motion, JWT, Git, Vercel, Render, Clever Cloud, GitHub.

Experience in Other Sectors   **Buenos Aires, Argentina**
Waiter, Kitchen Assistant, Stock Clerk, Calisthenics Instructor   *December 2019 - December 2023*

- These roles allowed me to develop key soft skills.
- Problem-solving in high-demand environments.
- Adaptability to new processes, effective communication, and teamwork.
- Responsibility and discipline to achieve objectives, among others.
